THE DYING GYPSY.

BY BETTIE HARTFORD.

She looked her last with a trembling hand,
Her sweet voice choked with sobs and low;
She sang of a home in a far off land,
A happy home of long ago.
And a tear dropped in each eye,
As she sang with a heaving heart;
"Oh, my dear mother, happy home, good bye,
We will soon be father apart."

Her hand was still, and her lips grew white—
Her voice had ceased, and she lay low;
The dying light shone on her face,
The dying light shone on her face.
The dying light shone on her face,
The dying light shone on her face.
The dying light shone on her face,
The dying light shone on her face.

Her hand was still, and her lips grew white—
Her voice had ceased, and she lay low;
The dying light shone on her face,
The dying light shone on her face.
The dying light shone on her face,
The dying light shone on her face.
The dying light shone on her face,
The dying light shone on her face.

Her hand was still, and her lips grew white—

The dying light shone on her face,
The dying light shone on her face.
The dying light shone on her face,
The dying light shone on her face.

Her hand was still, and her lips grew white—
Her voice had ceased, and she lay low;
The dying light shone on her face,
The dying light shone on her face.
The dying light shone on her face,
The dying light shone on her face.
The dying light shone on her face,
The dying light shone on her face.

Her hand was still, and her lips grew white—
Her voice had ceased, and she lay low;
The dying light shone on her face,
The dying light shone on her face.
The dying light shone on her face,
The dying light shone on her face.
The dying light shone on her face,
The dying light shone on her face.

Her hand was still, and her lips grew white—
Her voice had ceased, and she lay low;
The dying light shone on her face,
The dying light shone on her face.
The dying light shone on her face,
The dying light shone on her face.
The dying light shone on her face,
The dying light shone on her face.

Her hand was still, and her lips grew white—
Her voice had ceased, and she lay low;
The dying light shone on her face,
The dying light shone on her face.
The dying light shone on her face,
The dying light shone on her face.
The dying light shone on her face,
The dying light shone on her face.

Her hand was still, and her lips grew white—
Her voice had ceased, and she lay low;
The dying light shone on her face,
The dying light shone on her face.
The dying light shone on her face,
The dying light shone on her face.
The dying light shone on her face,
The dying light shone on her face.

Her hand was still, and her lips grew white—
Her voice had ceased, and she lay low;
The dying light shone on her face,
The dying light shone on her face.
The dying light shone on her face,
The dying light shone on her face.
The dying light shone on her face,
The dying light shone on her face.

Her hand was still, and her lips grew white—
Her voice had ceased, and she lay low;
The dying light shone on her face,
The dying light shone on her face.
The dying light shone on her face,
The dying light shone on her face.
The dying light shone on her face,
The dying light shone on her face.

Her hand was still, and her lips grew white—
Her voice had ceased, and she lay low;
The dying light shone on her face,
The dying light shone on her face.
The dying light shone on her face,
The dying light shone on her face.
The dying light shone on her face,
The dying light shone on her face.

Her hand was still, and her lips grew white—
Her voice had ceased, and she lay low;
The dying light shone on her face,
The dying light shone on her face.
The dying light shone on her face,
The dying light shone on her face.
The dying light shone on her face,
The dying light shone on her face.

Her hand was still, and her lips grew white—
Her voice had ceased, and she lay low;
The dying light shone on her face,
The dying light shone on her face.
The dying light shone on her face,
The dying light shone on her face.
The dying light shone on her face,
The dying light shone on her face.

Her hand was still, and her lips grew white—
Her voice had ceased, and she lay low;
The dying light shone on her face,
The dying light shone on her face.
The dying light shone on her face,
The dying light shone on her face.
The dying light shone on her face,
The dying light shone on her face.

Her hand was still, and her lips grew white—
Her voice had ceased, and she lay low;
The dying light shone on her face,
The dying light shone on her face.
The dying light shone on her face,
The dying light shone on her face.
The dying light shone on her face,
The dying light shone on her face.

Her hand was still, and her lips grew white—
Her voice had ceased, and she lay low;
The dying light shone on her face,
The dying light shone on her face.
The dying light shone on her face,
The dying light shone on her face.
The dying light shone on her face,
The dying light shone on her face.

Her hand was still, and her lips grew white—
Her voice had ceased, and she lay low;
The dying light shone on her face,
The dying light shone on her face.
The dying light shone on her face,
The dying light shone on her face.
The dying light shone on her face,
The dying light shone on her face.

Her hand was still, and her lips grew white—
Her voice had ceased, and she lay low;<
